About the Home

The building is a beautiful 1930's large family home with six bedrooms with a bathroom, shower room, kitchen, lounge, dining room, and a large garden with a car park, situated in the centre of the community in the small market town of Bentham. Lancaster/ Morecambe is situated approximately 16 miles away to the southwest, Settle is 10 miles, and Skipton is 30 miles to the east.

We aim to support people to maintain their lives by providing excellent staffing 24 hours a day throughout the year.

At the Red House the support will use person centred approaches to enable the people living in the house to maximise their independence, increase control over their lives, maintain their health and become part of their community.

The support team will ensure that The Red House continues to be a pleasant comfortable home which seeks to meet the physical , emotional and spiritual needs of each person living in the house.

St Anne's annually seeks feedback from stakeholders and this feedback is considered and acted upon.
